Institution _____

Department _____

Address _____

Highest Degree offered by department _____

Please complete this form, keeping a copy for your records, and return it to the above address by November 16, 2008.

Any necessary corrections to the address or highest degree offered by your department should be noted on the label at the left.

Answer every question for the entire department named above.

Be sure to include all faculty, graduate students, course enrollments and majors in the named department even though this department may include other disciplines such as computer science, etc. **Do not exclude anyone except where noted.**

Name of person completing form _____ Date _____

Title _____ Phone _____

Email _____ Fax _____

Section A Undergraduate Degrees

For the period between July 1, 2007 and June 30, 2008

A1. Report the number of bachelors degrees awarded to majors within your department (**include joint and double majors**). Male Female

A2. Of those reported in A1, how many bachelors degrees were awarded to individuals whose only major within your department was statistics? Male Female

A3. Of those reported in A1, how many bachelors degrees were awarded to individuals whose only major within your department was computer science? Male Female

Section B Fall 2008 - Faculty for the entire department named

B1. This question requests the educational background of your full-time and part-time faculty.

- A faculty member is any research and/or instructional staff (excluding graduate teaching assistants (GTA)) in the department.
- Include your faculty who are temporarily on leave. Exclude visitors on leave from other institutions. Exclude faculty located at campuses outside the United States.
- Full-time is defined as faculty who are full-time employees in the institution and at least half-time in the department.
- A postdoctoral appointment is a temporary position primarily intended to provide an opportunity to extend graduate training or to further research experience.
- Report head count of part-time faculty, not full-time equivalents (FTEs).
- If your institution does not recognize tenure, please check the following box and then report in the Tenured column full-time faculty who are permanent.

| Number of Faculty | | TYPE OF APPOINTMENT | | | | | Row Totals |
|--------------------------|------------|---------------------|--------------------------------------|-------------------------------------|----------------------------------|-------------------------|------------|
| | | Full-Time | | | | Part-time (Not GTAs) | |
| | | Tenured (1) | Untenured but tenure-track (2) | Postdoctoral appointments (3) | Other Non-tenure-track (4) | | |
| With Doctorate | Male (1) | | | | | | |
| | Female (2) | | | | | | |
| Without Doctorate | Male (3) | | | | | | |
| | Female (4) | | | | | | |
| Column Totals | | (5) | | | | | Total |

Of the total full-time faculty reported in B1:

B2. How many taught only courses outside the mathematical sciences (i.e. mathematics, applied mathematics and statistics) in FALL 2008.

B3. Of the total reported in B2, how many taught only courses in computer science in FALL 2008.

Section C Faculty Deaths & Retirements

For the period September 1, 2007 through August 31, 2008, report the number of full-time faculty who:

C1. Retired from full-time service

C2. Died while in full-time service

Section D

Faculty Recruitment & Hiring

- In reporting below include all positions that were under recruitment during the academic year 2007–2008 for employment beginning with the academic year 2008-2009 that are full-time (for at least one year) and require a doctorate, including positions funded from salaries of faculty on leave.

| | | |
|--|---|-------|
| D1. Report the number of full-time positions (tenured, tenure-track and other full-time) requiring a doctorate you tried to fill for 2008–2009. | <input type="text"/> | (D1) |
| D2. Of the positions reported in Line D1, how many were tenured/tenure-track? | <input type="text"/> | (D2) |
| D3. Of the positions reported in Line D1, how many were at the associate/full professor level? | <input type="text"/> | (D3) |
| D4. Of the positions reported in Line D1, how many were open to new doctoral recipients? | <input type="text"/> | (D4) |
| D5. Of the positions reported in Line D4, how many were tenured/tenure-track? | <input type="text"/> | (D5) |
| • Lines D6 through D14 characterize individuals hired for those positions reported in Line D1. | | |
| D6. Report the number of doctoral hires (including individuals who expect to receive their doctoral degree within the 1st year of employment) for the positions reported in Line D1. | <input type="text"/> Male <input type="text"/> Female | (D6) |
| D7. Of the numbers reported in Line D6, how many were tenured/tenure-track? | <input type="text"/> Male <input type="text"/> Female | (D7) |
| D8. Of the numbers reported in Line D7, how many held a non-tenure-track position (exclude GA's & TA's) the previous year? | <input type="text"/> Male <input type="text"/> Female | (D8) |
| D9. Of the numbers reported in Line D8, how many held a postdoctoral position the previous year? | <input type="text"/> Male <input type="text"/> Female | (D9) |
| D10. Report the number of positions reported in Line D1 that were advertised as multiyear but temporarily filled with the expectation of re-advertising next year. | <input type="text"/> Male <input type="text"/> Female | (D10) |
| D11. Of the numbers reported in Line D10, how many were non-doctoral hires? | <input type="text"/> Male <input type="text"/> Female | (D11) |
| D12. Report the number of positions reported in Line D1 that were left unfilled (include here positions withdrawn from recruiting). | <input type="text"/> | (D12) |
| Total of Lines D6, D10 and D12 (Should equal number reported in Line D1. If not please explain). | <input type="text"/> | |
| D13. Report the number of new (held doctorate less than one year) doctoral recipients hired for positions reported in Line D1. | <input type="text"/> Male <input type="text"/> Female | (D13) |
| D14. Of the numbers reported in Line D13, how many were tenured/tenure-track? | <input type="text"/> Male <input type="text"/> Female | (D14) |

Section E

Fall 2008 - Course Enrollments

- Report the sum of the combined enrollments of all the courses in Fall 2008, not the number of sections of courses. (Take the number of students in each course and add them together.)

E1. Report your department's ***total undergraduate course enrollment***
(all enrollments combined) for Fall 2008.

Please remember to retain a copy of this completed form for your records.

Your assistance in gathering the data necessary for this survey is greatly appreciated.

Thank you.
