Institution _____

Department _____

Address _____

Highest Degree offered by department _____

Please complete this form, keeping a copy for your records, and return it to the above address by November 16, 2008.

Any necessary corrections to the address or highest degree offered by your department should be noted on the label at the left.

Answer every question for the entire department named above.

Be sure to include all faculty, graduate students, course enrollments and majors in the named department even though this department may include other disciplines such as computer science, etc. **Do not exclude anyone except where noted.**

Name of person completing form _____ Date _____

Title _____ Phone _____

Email _____ Fax _____

Section A Fall 2008 - Faculty for the entire department named

A1. This question requests the educational background of your full-time and part-time faculty.

- A faculty member is any research and/or instructional staff (excluding graduate teaching assistants (GTA)) in the department.
- Include your faculty who are temporarily on leave. Exclude visitors on leave from other institutions. Exclude faculty located at campuses outside the United States.
- Full-time is defined as Faculty who are full-time employees in the institution and at least half-time in the department.
- A postdoctoral appointment is a temporary position primarily intended to provide an opportunity to extend graduate training or to further research experience.
- Report head count of part-time faculty, not full-time equivalents (FTEs).
- If your institution does not recognize tenure, please check the following box and then report in the Tenured column full-time faculty who are permanent.

TYPE OF APPOINTMENT

Number of Faculty		Full-Time				Part-time (Not GTAs)	Row Totals
		Tenured (1)	Untenured but tenure-track (2)	Postdoctoral appointments (3)	Other Non-tenure-track (4)		
With Doctorate	Male (1)						
	Female (2)						
Without Doctorate	Male (3)						
	Female (4)						
Column Totals (5)							Total

Section B

Faculty Recruitment & Hiring

- In reporting below include all positions that were under recruitment during the academic year 2007–2008 for employment beginning with the academic year 2008-2009 that are full-time (for at least one year) and require a doctorate, including positions funded from salaries of faculty on leave.

B1. Report the number of full-time positions (tenured, tenure-track and other full-time) requiring a doctorate you tried to fill for 2008–2009. (B1)

B2. Of the positions reported in Line B1, how many were tenured/tenure-track? (B2)

B3. Of the positions reported in Line B1, how many were at the associate/full professor level? (B3)

B4. Of the positions reported in Line B1, how many were open to new doctoral recipients? (B4)

B5. Of the positions reported in Line B4, how many were tenured/tenure-track? (B5)

- Lines B6 through B14 characterize individuals hired for those positions reported in Line B1.

B6. Report the number of doctoral hires (including individuals who expect to receive their doctoral degree within the 1st year of employment) for the positions reported in Line B1. Male Female (B6)

B7. Of the numbers reported in Line B6, how many were tenured/tenure-track? Male Female (B7)

B8. Of the numbers reported in Line B7, how many held a non-tenure-track position (exclude GA's & TA's) the previous year? Male Female (B8)

B9. Of the numbers reported in Line B8, how many held a postdoctoral position the previous year? Male Female (B9)

B10. Report the number of positions reported in Line B1 that were advertised as multiyear but temporarily filled with the expectation of readvertising next year. Male Female (B10)

B11. Of the numbers reported in Line B10, how many were non-doctoral hires? Male Female (B11)

B12. Report the number of positions reported in Line B1 that were left unfilled (include here positions withdrawn from recruiting). (B12)

Total of Lines B6, B10 and B12 (Should equal number reported in Line B1. If not please explain).

B13. Report the number of new (held doctorate less than one year) doctoral recipients hired for positions reported in Line B1. Male Female (B13)

B14. Of the numbers reported in Line B13, how many were tenured/tenure-track? Male Female (B14)

Section C

Faculty Deaths & Retirements

For the period September 1, 2007 through August 31, 2008, report the number of full-time faculty who:

C1. Retired from full-time service

C2. Died while in full-time service

Section D

Fall 2008 - Graduate Students

If your department does not have graduate students, check here and go to Section E.

- Report only graduate students whose major course of study is contained in your department and who are actually enrolled in Fall 2008.
- Report your graduate students as full-time or part-time according to how they are classified by your institution.
- The counts of full-time graduate students reported in the first row should include the counts of first-year full-time graduate students reported in the second row.
- Include in your counts graduate students (in your department) studying mathematics education.
- UNDERREPRESENTED MINORITIES include any person having origins within the categories American Indian or Alaska Native, Black or African American, Hispanic or Latino, and Native Hawaiian or Other Pacific Islander.
- If you are unable to report underrepresented minorities, check here . If you have none check here .

Any box left blank is assumed to be zero.

Please report data for U.S. and Non-U.S. citizens separately.

Graduate Students Enrolled Fall 2008	U.S. Citizens only				Non-U.S. Citizens only			
	U.S. Citizens Total		Underrepresented Minorities*		Non-U.S. Citizens Total		Permanent Resident*	
	Male (1)	Female (2)	Male (1)	Female (2)	Male (1)	Female (2)	Male (1)	Female (2)
Number of FULL-TIME students (1)								
Number of FULL-TIME students who are 1st-year students (2)								
Number of PART-TIME students (enrolled for Fall 2008) (3)								

* These counts must be included in the counts reported in the 'Total Columns'.

Section E

Undergraduate & Masters Degrees

- For the period between July 1, 2007 and June 30, 2008

- E1. Report the number of bachelors degrees awarded to majors within your department (include joint and double majors).
- E2. Of those reported in E1, how many bachelors degrees were awarded to individuals whose only major within your department was statistics?
- E3. Of those reported in E1, how many bachelors degrees were awarded to individuals whose only major within your department was computer science?
- E4. Report the number of masters degrees awarded to majors within your department (include joint and double majors).
- E5. Of those reported in E4, how many masters degrees were awarded to individuals whose only major within your department was statistics?
- E6. Of those reported in E4, how many masters degrees were awarded to individuals whose only major within your department was computer science?

Section F

Fall 2008 - Course Enrollments

- Report the sum of combined enrollments of all the courses in Fall 2008, not the number of sections of courses. (Take the number of students in each course and add them together.)
- Include thesis enrollments (thesis, honors thesis, research, reading, etc) for your students as course enrollments.
- Enrollment in undergraduate and graduate courses should be reported below in their respective categories regardless of whether the individual students enrolled are undergraduate or graduate students.

- F1. Report your department's **total undergraduate course enrollment** (all enrollments combined) for Fall 2008.
- F2. Report your department's **total graduate course enrollment** (all enrollments combined) for Fall 2008.

Please remember to retain a copy of this completed form for your records.

Your assistance in gathering the data necessary for this survey is greatly appreciated.

Thank you.
